Welcome to the

DE NEVEU FARMS HERD REDUCTION SALE!

We would like to take a moment and give a sincere thanks to each and every buyer, bidder, and attendee for supporting this event. We appreciate your interest in these quality ponies! It has been quite a team effort to be able to present this special offering of ponies to you all. Our deepest gratitude goes out to all of the trainers who spent the past several months bringing out the best from the ponies under their watch. Thank you for your expertise, professionalism, quality horsemanship, attention to detail, and most importantly, thank you for treating our ponies with the same standards of care as you would your own!

We would also like to extend a big thank you to the Stoltzfus Family for all of the time and energy they have put into this event. Jake's efforts in helping to sort out all of the logistics involved with coordinating transportation, boarding and training for over 60 ponies is what made this sale possible. Thank you for your dedication to helping promote our stock, and for your honest representation of this exciting group of ponies.

At De Neveu Farms, we have prioritized a focus on breeding and presenting top-quality ponies with depth of pedigree, natural talent, conformational correctness and sound, trainable mindsets. We express our gratitude to the Taylor family, Taylor Pony Farm, for their guidance and for having the privilege to start De Neveu Farms ponies with the outstanding ponies of Taylor Pony Farm. We feel you will find all of those things within this offering of ponies; along with a generous variety of type, color & pedigree. Whether you are looking for a breeding stallion or broodmare, an up-and-coming show ring prospect, or a reliable children's pony, we think you will find that there is something for just about everybody in this bunch! We wish all of the buyers the best of success with your new ponies and hope you enjoy them as much as we have! Thank you all for spending the sale day with us!

Sincerely,
Kay Marschel, De Neveu Farms (Owner)
